JETT A PRISONER.

He is Charged With the Assassination of Attorney J. B. Marcum at Jackson.

ARRESTED WITHOUT BLOODSHED.

The Warrant Was Sworn Out by Sam Jett, Uncle of the Accused Man.

He Was Found at His Mother's Home, and Made No Show of Resistance—Landed in Jail at Winchester.

Lexington, Ky., May 11.—The capture of Curtis Jett, charged with the assassination of J. B. Marcum in Jackson Monday, was accomplished without bloodshed at 3 o'clock Sunday morning. He is now in the Clark county jail at Winchester. Bearing a warrant which had been sworn out by Sam Jett, uncle of the accused, Sheriff McChord and a posse of seven left Winchester at midnight Saturday. Reaching Jackson's Ferry, 10 miles distant, at 2:40 a. m., they put away their buggies and crossed the Kentucky river to Madison county above in canoes.

They proceeded on foot to the home of Mrs. A. Haggin, Jett's mother, two miles from the ferry. Six of the posse were stationed about the dwelling, and Sheriff McChord and Deputy Stokely approached the front door and rapped. Jett's mother answered, and after some parley admitted that Curtis was within. At length they were admitted and found Jett awake but still in bed. He shook hands with the sheriff and said that he would give no trouble. Reaching under his pillow, he drew out his pistol, which was nothing less than a baby rifle, and turned it over to his mother to keep. He made no show of resistance, and was landed in jail at Winchester at 6 a. m. Jett's step-father charges that when Jett arrived at his house Saturday evening from Jackson he proceeded to draw his pistol and give him minutes in which to get out of the neighborhood. Haggin went to Richmond and swore out a warrant charging Jett with breach of the peace by assault with a pistol.

Seen in the jail Sunday, Jett was communicative on all matters save the killing of Marcum. "I'll get out of this all right," was the only statement he would make that could be construed as a reference to the charge. He said he wanted to be tried in Breathitt. He was bitter in denouncing his uncle who had him arrested, and said that the score would be evened up when he was at liberty. When asked in reference to the statement that five men would testify that he killed Marcum he simply sneered and replied: "What's that to you?" To Sheriff McChord he was equally non-communicative as to the Marcum tragedy.

Jett is 28 years of age, athletic in build, with deep-set, keen eyes, and has bushy red hair. That he submitted to arrest was an agreeable surprise to the officers, who feared an encounter. Jett denied that he drove his step-father from home. He will be arraigned Tuesday, and it is supposed will be transferred to the Jackson district for trial.

THE REICHLIN MURDER.

Unknown Man Offers \$4,000 Reward For Detection of the Murderer.

Lorain, O., May 11.—A man whose name is withheld Sunday sent \$4,000 to J. J. Mahoney, of the Knights of Columbus of this city, to be offered as a reward for the detection of the murderer of Agatha Reichlin, which occurred a week ago Thursday night. This sum will be added to the 1,000 already offered by the county. More money will be asked of the friends of the Reichlin family, both in Lorain and elsewhere, to make a larger fund and thereby it is hoped to induce experienced detectives to work upon the case. A detective from a Cleveland agency has arrived to take up the clues that are believed to be worth following.

Louisville, Ky., May 11.—Louis Whitley, colored, was killed Sunday night in Grayson by Minnie Britt, with whom he had quarreled. The woman nearly severed his head with a carving knife. She was arrested.

Operator Killed By a Train.

Madisonville, Ky., May 11.—Claude B. Smith, operator at Nortonville, this county, in attempting to board a freight train fell under the wheels and was instantly killed, being badly crushed.

Carrollton, Ky., May 7.—W. S. Smith, sheriff of Carroll county, was stricken with apoplexy Tuesday night and is lying at the point of death.

OFFICIAL COUNT NECESSARY.

Race For Auditor and Commissioner of Agriculture Close.

Frankfort, Ky., May 11.—So far the races for auditor and commissioner of agriculture are the only ones over which there was a contest which are not still in doubt as to the result in Saturday's primary. In the race for clerk of the court of appeals J. Morgan Chinn, the state administration candidate, is claiming his election, while his opponent, R. L. Greene, claims a majority for himself of at least 2,000. Three of the four candidates for attorney general are claiming that nomination, Judge Ira Julian being the only candidate who concedes defeat. J. Willard Mitchell and N. B. Hays, two of the candidates, are here, and each claims that the official count will show him elected. Charles Carroll makes a similar claim for himself. The nomination for superintendent of public instruction has two claimants, J. H. Fuqua and Ben Watt, each claiming a small majority on the official count. Fuqua appears to be in the lead in the vote so far reported. None of the defeated anti-slate candidates will talk for publication, though it is known that they charge gross frauds in Louisville and elsewhere in the state.

It is charged that the ballot boxes in that city were stuffed in wholesale style, the election machinery there being wholly in the hands of one faction, it is claimed.

MARRIED IN JAIL.

A Young Girl Who Believed Him Innocent—Campbell Has Escaped.

Fulton, Ky., May 11.—News reached Fulton Sunday of a jail delivery at Mayfield. Joe Campbell, arrested by Fulton county officers at Water Valley, under an indictment on three charges of horse stealing, was the leader and made his escape. His recapture is hardly anticipated, as he is a desperate man in desperate straits. He is wanted in Arkansas to finish a seven-year term in the penitentiary for horse stealing, and at Charleston, Mo., on similar charges, besides being wanted in Graves county.

While in Mayfield jail he was married to Miss Emma Quill, a charming young lady of near Water Valley, who always believed in his innocence. No reward has yet been offered. This delivery swells the total escapes from Mayfield jail to 14 during the past 12 months.

THE STRIKE SETTLED.

There Was a Misunderstanding of the Company's Attitude.

Louisville, Ky., May 11.—The strike of the 250 employees of the Louisville Packing Co., the local branch of the Cudahy Packing Co., has been settled. The men walked out Saturday morning. After several conferences Saturday night it was found that there has been a misunderstanding of the company's attitude regarding recognition of the union. The men returned to work Monday.

May Contest the Primary.

Louisville, Ky., May 11.—The democratic state primary election will be contested unless all indications fail. John B. Chenault and probably Joshua T. Griffith and Robert L. Green will challenge the election returns in Louisville and make a fight for the throwing out of the whole vote of this city.

Will Go Out of Business.

Louisville, Ky., May 11.—The Western Insurance Co., which is owned principally by the stockholders of the Western bank, has decided to go out of business. The capital stock is \$150,000. High city and state taxes are assigned as the cause. The risks will be reinsured.

Travelers' Convention.

Covington, Ky., May 11.—The convention of the Grand Council U. C. T., composed of Virginia and Kentucky, which convenes in Covington May 28, 29 and 30, will be one of the grandest affairs that Covington has had the pleasure of witnessing.

Corbett Will Box.

Louisville, Ky., May 11.—"Young" Corbett will be here to box a local featherweight before the Southern Athletic club Tuesday night, May 19. Manager Gray will likely arrange to put Tommy McQuaide against the champion.

Judicial Primaries.

Burkesville, Ky., May 11.—The republican committee of this, the Twenty-ninth judicial district, has called a primary election for Saturday, August 1, to nominate candidates for circuit judge and commonwealth's attorney.

Policeman Shot.

Richmond, Ky., May 11.—Police Officer J. T. O'Neal was shot and probably fatally wounded by Chas. James, whom he was trying to arrest for disorderly conduct.

JAIL SURROUNDED.

Mob Violence For a Time Was Threatened at Fremont, O., Early Sunday Morning.

ALL THE SALOONS WERE CLOSED.

Otto Mischke Was Shot and Killed by One of Three Negroes in His Doorway.

They Became Angered at a Question Asked By Mrs. Gommell as to Who They Were and One of Them Fired.

Fremont, O., May 11.—Mob violence, which was threatened in this city Saturday night as the result of the alleged killing of Otto Mischke by one of three Negroes, subsided at 4 o'clock Sunday morning. The three Negroes who are charged with the crime are securely locked in the city jail at Newark and the excitement that was rampant for several hours Saturday night has about subsided.

From 1 o'clock until 4 o'clock Sunday morning the jail building was surrounded by the angry crowd calling upon Sheriff Mason to deliver the prisoners. For an hour or more the sheriff stood on the front steps of his residence and admonished the threatening crowd to be careful and quiet and not commit an act that would forever shame Fremont in the eyes of the world. Sheriff Mason said he had taken an oath to do his official duty and do it he would, and he said he would shoot the first man who made an attempt to break down the jail door and enter the building.

For fear of further trouble during the day and Sunday night Mayor Engler ordered every saloon in the city closed.

The Negroes gave their names as Wheeler Kimbro, Walter Stratton and Lorenzo Martin. Martin and Stratton had loaded revolvers in their possession.

Sunday's story of the tragedy is to the effect that the Negroes who were in the street were offended at a question of Mrs. Albert Gommell as to who they were. Mrs. Gommell was on her way home with her husband and children. Mischke, the victim, was living at the Gommell house, which was in the vicinity of the affray, and when he came to the door to see what the loud talk was about, a bullet struck him in the stomach, inflicting a fatal wound.

FLUTTERED OUT OF A WINDOW.

A Check For \$21,000 Picked Up By a Railway Flagman.

Rahway, N. J., May 11.—It became known Sunday that Patrick Moore, a flagman at the New Brunswick avenue crossing of the Pennsylvania railroad, found on Wednesday a check for \$21,000 which fluttered out of a window of the Long Branch express as it passed through here. The check was drawn on the Merchants' national bank of Chicago in favor of Mrs. Isabella Stewart, but the name of the maker was undecipherable. The check was turned in to the lost property department of the railroad.

EXPLOSION OF GAS.

Man and Wife So Badly Burned They Died a Few Hours Later.

Buffalo, N. Y., May 11.—Herman M. Blasdel, of North Collins, a former assemblyman, after whom the town of Blasdel, N. Y., is named, and his wife were so badly burned in a fire which started from an explosion of gas and which destroyed their home Sunday that they died a few hours later. An adopted son, who was the only other occupant of the house at the time of the explosion, was slightly burned.

AFTER HALF A CENTURY.

Charles and Henry Lierman, War Veterans, Reunited.

Milwaukee, Wis., May 11.—Charles and Henry Lierman, inmates of the National Soldiers' home, in Milwaukee, have been reunited after a separation of half a century. For many years Henry had been known as Lehman. Henry came to America from Wismar, Germany, when a lad 6 years old and lived with his uncle. Charles came many years later.

New York, May 9.—The appellate division of the supreme court has unanimously sustained the verdict of the jury in the case of Mrs. William Leys against the New York Central. Mr. Leys was killed in the tunnel accident about a year and a half ago and Mrs. Leys brought suit against the railroad for \$250,000, the jury allowing her \$100,000 damages with costs and interest, amounting from \$6,000 to \$8,000.

THE MARKETS.

Review of Trade in Tobacco and Live Stock at Cincinnati the Past Week

Cattle—Supplies have been rather plentiful during the week, and prices were scarcely sustained, and the better class represent about 10½¢ decline for the week. The quality of the receipts was fairly good. Bulls and milch cows have been firm, though easier at the close.

Hogs—Receipts were liberal the past week, and prices had a declining tendency. On Tuesday there was some strength, but on other days the feeling was easy. Select butchers and shippers were 15¢@20¢ lower than a week ago, and light are 10¢@20¢ lower. The quality of receipts is fairly good.

Sheep—The market for sheep and lambs was strong all week; receipts were light and the demand fairly active. Best sheep advanced from \$1.35 a week ago to \$1.65@1.75, and lambs advanced from \$3.90@4 to \$4.40@4.60.

Tobacco—Transactions of the week showed little of interest to comment upon, excepting in old tobaccos, which formed over three-fourths of the total offerings. The quality of these was of a better class of goods than has appeared in the "breaks" for many weeks, all but 150 bbls. selling above 95¢ per 100 pounds, and ranging from that figure to \$1.15.

Prices obtained showed a slight advance above last week's best figures, averaging from ½¢ to ¾¢ higher, the improvement, however, being more noticeable in the better grades.

Red fillers above 6c., and good, bright leaf around 10c. were in very fair manufacturing demand, active competition being manifest for these types between the big buyers and independent manufacturers. Fine and fancy leaf was also in liberal supply when compared with the bulk of the offerings, about 110 bbls., and selling above 10½¢, and ranging from that to 15c. Common smokers under 1c. and the trashes under 6c. were the weakest spots in the market for old goods, these types being principally taken by the speculative element.

The heavy purchases of a leading St. Louis independent manufacturer were the main factor in upholding the prices for fine old goods, the big combines evidently restricting their purchases to the types under 10½¢.

Excepting that the condition of the offerings was somewhat improved, the market for new tobaccos was absolutely featureless and devoid of interest, and little change can be expected in this regard until the redried goods come on the "breaks."

"SPOTTED FEVER."

The Hardest Contagious Disease to Combat Breaks Out on Two Receiving Ships.

THERE ARE 1,200 MEN ON BOARD.

Three Young Recruits Have Died and Five More Are Hovering Between Life and Death.

This Proposal Has Alarmed the Officers and a Heroic Effort Will Be Made to Prevent a Spread of the Plague.

Philadelphia, May 11.—Deadly cerebro spinal meningitis, popularly known as "spotted fever," and one of the hardest contagious diseases to combat, has broken out in the ranks of the 1,200 men aboard the receiving ships Minneapolis and Puritan, at League Island navy yard.

Already it has killed three young recruits, while five more victims are hovering between life and death. Grave fears prevail that others among the embryo blue jackets who ate, worked and slept with the stricken, may fall into the fever's embrace.

This prospect has alarmed the officers at the yard to such an extent that an heroic effort will be made to prevent a spread of the disease, not only by constantly watching the men, but by removing them entirely from the two receiving ships.

Sunday the work of raising 35 tents will be started as soon as the canvas shelters are in place the 1,200 young tars will be put to camp, giving them plenty of fresh air and more room for exercise, which it is thought will materially lessen the chance for a further incubation of the disease.

When the men leave the Minneapolis and Puritan both ships will be subjected to a thorough fumigation.

"I am doing everything in my power to prevent the development of any more cases of this fever," said Adm. Sigsbee, the commandant. "Nothing that will protect the lives of our men will be left undone."

At the hospital of the naval home, to which the sick from League Island navy yard are treated, Dr. Lung, the surgeon in charge, declared that the results from the outbreak on the receiving ships are not so bad as is usually the case with the disease. "Three have died," he said, "and we still have five others suffering from the fever, but those, unless something untoward develops, we hope to pull through."

"The hospital is very much crowded with patients from League Island. Besides those who have the cerebro spinal meningitis we have many patients suffering with mumps, measles and other complaints."

FIERCE FOREST FIRES.

It is Feared Some of the Lumbermen Lost Their Lives.

Johnstown, Pa., May 10.—One of the fiercest and most damaging forest fires in the history of the Allegheny mountains has been raging since early Sunday morning about Dunle, the big coal and lumber town in this county. At 8:30 o'clock Sunday night much apprehension was felt for the safety of several camps of lumbermen working for Kuhns & Goodwin, who were in the great district which had been swept by the flames. Some of them may have perished. They would have to flee from the camps ahead of the fire, and as no tidings have been received from them, there is much alarm.

THE FREE ZONE.

Mexico Decides to Detach It From the Different States.

El Paso, Tex., May 11.—It is stated semi-officially that the government of Mexico will detach Zona Libre from the different states, making it a part of the federal district of Mexico. The free zone is a strip 60 miles wide, extending along the border from California to the Gulf of Mexico. All state offices in the zone will be abolished. The territory will be governed by mayors and the district by governors. The strip will be reduced to 20 miles.

THE WINNERS.

McKnight Nominated for Representative and Woodward for Circuit Clerk.

The "Slate" for State Offices Went Through With Probably One Exception—Result of Saturday's Democratic Primary.

The Democratic primary last Saturday passed off very quietly. The interest locally was centered in the contest between McKnight and Walton for Representative, Woodward and Key for Circuit Clerk and the fight between Hager and Chenault for State Auditor.

The withdrawal of Parry on Friday from the Circuit Clerkship race scared up the Woodwardites, and they got in some very effective work coming down the home stretch, landing their favorite a winner by a handsome majority.

The contest for Representative was the closest one of the day, McKnight winning by fifty odd majority. A little effective work on the part of Mr. Walton's friends in Maysville would probably have turned the fight in his favor.

Variety in a store's assortment is essential. We cannot all wear the same thing. A style that appears appropriate and becoming to one lady will be just the reverse if worn by another.

One of the advantages of buying a ready-made skirt is that you can try it on before buying it. Many a woman has selected a piece of goods to have a skirt made from, and has afterwards hated it every time she put it on.

You can come to us and get a Skirt right off the rack that will realize your fondest hopes, and cost you but a moderate sum. Skirts of handsome fabrics, tastefully trimmed, skillfully tailored, stylishly cut and with a fit such as thousands of dressmakers and tailors sigh for but never reach. We doubt if there is a town in the county (our size) that has a reputation on skirt such as we have.

But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen, and can be easily investigated.

IMPORTANT ANNOUNCEMENT OF THE MAYSVILLE GAS COMPANY.

Under 2000 cu. ft. of Gas \$1.50 per 1000.
Over 2000 cu. ft. of Gas and under 3000 cu. ft. \$1.25 per 1000.
3000 cu. ft. of Gas and over \$1 per 1000.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered that on and after the first day of April, 1903, the above sliding scale of price of gas for all purposes, fuel and illuminating, should go into effect for all private consumption, and that all rates and discounts heretofore made are hereby abolished.

It was further ordered that after the first of April the old rule of the company "gas will be turned off if account is not paid with five days after presentation" shall be enforced, impartially and indiscriminately, regardless of whom it may concern. (This action was taken not to appear arbitrary nor with the idea that the accounts of the consumers were not perfectly good at any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the company might be taken up at a specified time thereafter within five days be due and payable in order that the time and thought of the company's agents and employees, now so largely occupied with this work of collecting, might for the balance of the month be diverted toward giving consumers of gas better attention and more efficient supply and service.

It was further ordered that beginning with the first of May and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an agent of the company on the first day of the month, or the second day, if the first comes on Sunday, and that said account shall thereafter within five days be due and payable at the office of the company on Court street, Maysville, Ky., and if not so paid, gas will be promptly shut off.

The gas company further announces that, after the first day of April, they will handle and sell at cost price to gas consumers any of the great variety of gas stoves and ranges made by and shown in the catalogue of the Detroit Stove Works, Detroit, Mich., which price will be a sum equivalent to 50 per cent. discount from the list prices in said catalogue. These stoves and ranges will be sold for cash only, or according to the terms of a priced lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$28, the gas company will sell this range to consumer for \$18 cash or for \$20 cash at signing of lease and 60 cents a month for seventeen months, at the expiration of which time the range is sole property of consumer. The company has selected to handle the Detroit Jewel Gas Range on account of its acknowledged superior quality and wide reputation for durability and economical consumption of gas. The gas company will also handle, at cost price to consumer, the fixtures and mantles of the Walsbach Company in all of their many attractive varieties.

Before closing this announcement the gas company wishes to publicly express appreciation of the eminently fair, just and courteous treatment accorded them by his honor, the Mayor, and the Board of Council, particularly the Chairman and members of the Gas Committee of that body, through whose efforts in behalf of the private consumers, the above concession in the price of gas is now announced.

With the assurance to the citizens of Maysville that it will be the earnest effort of the company and its agents to at all times give them their best possible service at the least cost, we beg to remain, very respectfully,
MAYSVILLE GAS CO.

P. S.—On and after April 1st the gas company will have on exhibition at the plumbing establishment of Mr. Larry Langfels on Market street, samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the gas company, with Mr. Langfels or your regular plumber, with whom you will have to make arrangements for the connecting and fitting up of range in case of the placing of order.
